

What is WVTESOL?

WVTESOL stands for the **W**est **V**irginia **T**eachers of **E**nglish to **S**peakers of **O**ther **L**anguages.

WVTESOL is an association of professionals involved in teaching English as a Second Language (ESL)

WVTESOL seeks to strengthen the teaching of ESL, promote research, and provide opportunities to share ideas with other ESL professionals.

WVTESOL is made up of ESL and mainstream teachers, tutors, teacher-trainers, teachers-in-training, administrators, and community advocates.

WVTESOL is an affiliate of the international TESOL organization.

WVTESOL has something to offer ESL practitioners in primary and secondary schools, in higher education institutions, in adult education and volunteer literacy programs, and in workplace education programs.

What are the benefits of WVTESOL membership?

Perhaps the greatest benefit of belonging to WVTESOL is attending the annual spring conference. At the conference, you can:

- Hear nationally prominent speakers
- Attend workshops in your area(s) of interest
- Browse ESL publisher displays and take home free materials
- Network with colleagues in the region and share your concerns and ideas about teaching ESL
- Attend the WVTESOL business meeting and elect officers and board members.

As a member, you become part of the WVTESOL listserv enabling you to receive announcements about upcoming events and to share information and ideas with other members, including information about regional TESOL news, teaching activities, ESL publications, and much more.

We also encourage members to join us on social media. Find us on Facebook at [facebook.com/wvtesol](https://www.facebook.com/wvtesol) and Twitter at [@WVTESOL](https://twitter.com/wvtesol).
